LETTER OF RECOMMENDATION

I am pleased to write a recommendation letter for **Md. Reaj Ahmad**, Son of Md. Giash Uddin and Shafali Akter Parul for pursuing higher studies in Master's program in your university. He was a regular student of this University bearing Registration/ID No. **BME1803016457** and has successfully completed B.Sc. in Mechanical Engineering, a 4-year Bachelor program under the Faculty of Science and Engineering and achieved **CGPA-3.00** in the scale of 4.00. **The medium of instruction of this program is in English.**

He was attended several courses taught by me and I observed him meticulously and have come to know about his sincerity and perseverance during his study in this University. Besides, I believe that he definitely has all the necessary qualities in order to undertake the challenges of a graduate program.

He is tireless and is also tenacious and determined to do any work. He has got talent and potential to stand out as a great researcher in his respective field of interest. He has completed his undergraduate thesis with best performances and his dedication towards research is splendid. Undoubtedly, I was amazed with his work.

He is a young man of active habits and amiable disposition. As a student, he is very gentle and popular among his friends and fellows. He possesses an impressive personality and has the ability to work in a group. I believe that he would be a good student for Master's degree program at your university. I recommend him for admission and as well as for granting financial assistance in any possible ways. I also hope that he will contribute to your institution globally in the field of research as well.

I wish him bright success. If, I can be of any further assistance to provide you with information, please do not hesitate to contact to me.

Md. Mostofa Hossain

Professor and Head

Department of Mechanical Engineering

Faculty of Science and Engineering

Sonargaon University (SU)
